

Status::generateChestLoot

```
graph LR; A[Status::generateChestLoot] --> B[Status::getLevel]; A --> C[Status::getRandomValue];
```

A diagram illustrating a function call. A gray rectangular box on the left contains the text "Status::generateChestLoot". Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing "Status::getLevel". The bottom arrow points to another white rectangular box containing "Status::getRandomValue". All boxes have a thin black border.

Status::getLevel

Status::getRandomValue
